PARTICIPATING AGENCIES: The Department of Education (ED) and the Department of Justice (DOJ).

AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM:

Under section 421 (hereinafter referred to as "section 5301") of the Controlled Substances Act (21 U.S.C. § 862), an individual convicted of a Federal or State drug trafficking or possession offense may be denied, at the discretion of the court, certain Federal benefits, including those under the Federal Student Financial Assistance Programs authorized by title IV of the Higher Education Act (HEA) of 1965, as amended (title IV, HEA student financial assistance). The Denial of Federal Benefits and Defense Procurement Fraud Debarment

Clearinghouse Programs (DFB/DPFD) database (formerly known as DEBARS) collects information regarding those individuals for whom benefits are denied and forwards this information to the General Services Administration (GSA) for inclusion in the publication "Lists of Parties Excluded from Federal Procurement or Non-procurement Programs," more commonly known as the "Debarment List." Federal agencies are required by law to consult the Debarment List, prior to the provision of certain benefits. However, ED and DOJ have determined that, for purposes of verifying title IV, HEA student financial assistance eligibility, direct access to the DFB/DPFD database would be more useful than access to the GSA's Debarment List because the DFB/DPFD database contains information essential to the effective operation of the match that is not available in the GSA List.

By matching the names, dates of birth, and SSNs in the DFB/DPFD database with ED's student financial aid records, ED is able to identify students who do not qualify for Federal student financial assistance pursuant to the provisions set forth in the Controlled Substances Act. DOJ's system of records also contains information concerning the specific program or programs for which benefits have been denied, as well as the duration of the period of ineligibility. DOJ will make available for the CMA the records of only those individuals who have been

denied Federal benefits under one or more of the title IV, HEA programs. Thus, ED avoids the cost of disbursing student financial assistance funds to individuals who do not qualify for Federal student financial assistance, but who would otherwise receive aid had the CMA not existed.

DOJ is the lead contact agency for information related to violations of section 5301 and, as such, provides this data to ED. The 18-month CMA was recertified for an additional 12 months on January 2, 2020 and will automatically expire on January 1, 2021.

PURPOSE(S): The purpose of this matching program is to ensure that the requirements of section 421 of the Controlled Substances Act (originally enacted as section 5301 of the Anti-Drug Abuse Act of 1988, Pub. Law 100-690, 21 U.S.C. 853a, which was amended and re-designated as section 421 of the Controlled Substances Act by section 1002(d) of the Crime Control Act of 1990, Pub. Law 101-647) (hereinafter referred to as "section 5301") are met.

DOJ is the lead contact agency for information related to section 5301 violations and, as such, provides this data to ED. ED seeks access to the information contained in the Denial of Federal Benefits and Defense Procurement Fraud Debarment Clearinghouse program (DFB/DPFD) database (formerly known as DEBARS) that is

authorized under section 5301 for the purpose of ensuring that HEA student financial assistance is not awarded to individuals subject to denial of benefits under court orders issued pursuant to the Denial of Federal Benefits Program.

CATEGORIES OF INDIVIDUALS: The individuals whose records are included in this matching program are individuals who are the subject of section 5301 denial of benefits court orders, and all students who complete a Free Application for Federal Student Aid. ED receives data from the DOJ DFB/DPFD system that is used to match title IV, HEA applicant data in ED's Central Processing System (Federal Student Aid Application File (18-11-01)).

CATEGORIES OF RECORDS: ED will use the Social Security number (SSN), date of birth, and the first two letters of an applicant's last name for the match. These data elements are contained in ED's Central Processing System. The DOJ DFB/DPFD system contains the names, SSNs, dates of birth, and other identifying information regarding individuals convicted of Federal or State offenses involving drug trafficking or possession of a controlled substance who have been denied Federal benefits by Federal or State courts. This system of records also contains information concerning the specific program or programs for which benefits have been denied, as well as the duration of the period of ineligibility. DOJ will

make available for the matching program the records of only those individuals who have been denied Federal benefits under one or more of the title IV, HEA programs.

SYSTEM(S) OF RECORDS: DOJ system of records:
